# Welcome to Skellefteå 2023...

... and the most northerly 10MILA ever! Seldom has there been more reason for you to participate.

10MILA 2023 will be o ering a great deal all under one roof, with a full four days of competition over Ascension weekend, 18-21 May. Swedish League on Thursday, the City Sprint on Friday, before nishing with the 10MILA relays on Saturday and Sunday.

All the competitions are in decisive, fast-running Norrland terrain, just a stone's throw from Skellefteå city centre. The 10MILA night will be light, so most of you will be able to leave your headlamp at home. You can also forget about boots and rain gear, as the entire competition arena is located indoors in our large sports complex – Skellefteå Kraft Arena. All under one roof! Could it be any better?

# 4 days – 3 competitions

Skellefteå is offering the following competitions over Ascension weekend 2023:

with spectator races.
Medium distance. Rönnbäcken. 7 km south of Skellefteå city centre.

- Central Skellefteå.

Open courses will also be offered over these days, of course.
